- **Military Veteran Organizations**
Calling on American Legions, VFW, DAV, AMVETS, CVO, Chicago Veterans, and all Veteran Organizations!
- **Student Veterans of America (SVA)**

We can't support each other if we don't know what you do, events or programs that you host, fund-raisers, support for legislation, referrals, membership recruitment. How do we help support student veterans? Are they joining veteran organizations? Why? Why not?

NWVU is pleased to announce that we are networking and asking all of you to sound off and bring your calendar of events, Post initiatives etc. We will announce it on WVON – I Heart 1690 AM Radio broadcast on Saturday, December 14, 2019 at 5:30 pm – 6:00 pm.

Let's end this year with a plan for a better New Year!
